

Congratulations on your **courageous** decision to take control of your personal and financial life!

Bestselling Author and International Speaker Jane Blaufus releases 3rd Edition of her book, **WITH THE [STROKE] OF A PEN: Claim Your Life**, regarded, as the Only Book You Should Never Loan to a Friend! Her book along with the **WITH THE [STROKE] OF A PEN** companion planning binder have become recognized as two of the most comprehensive planning resources available for families, individuals and business owners alike. Jane brings to the table over 25+ years of hands on expertise as an advisor, sales manager and executive in the financial services industry. Today she is the founder of The Blaufus Group Inc. based in Toronto, Canada.

At times heart-wrenching, at times laugh-out-loud funny, **WITH THE [STROKE] OF A PEN: Claim Your Life**, is the perfect guide to making the essential preparations for a serious illness or death so you won't suffer undue financial hardship or leave your loved ones in the lurch after you're gone. Jane candidly shares her personal story, offering a wealth of advice as well as hope that, like her, you will one day come out of the dark and learn to live and love again. Chapter 8 (Daddy's Little Girl) written by Jane's daughter, offers the unique perspective of what it's like to be a child going through the loss of her father, with advice and tips to children and parents.

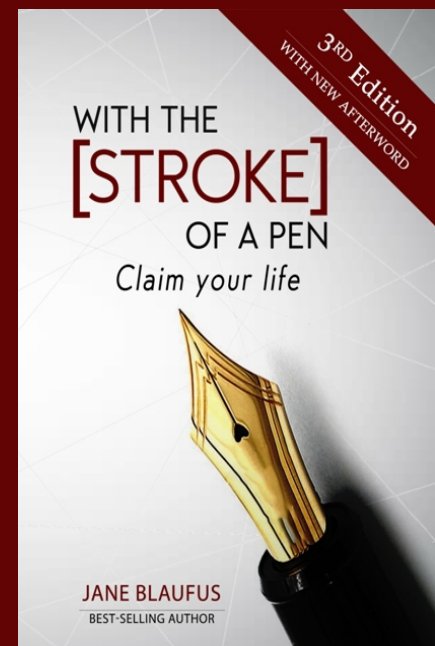

It is Jane's firm belief that we each have an obligation to ourselves and to those we love to make sure we leave this world in an organized manner. Therefore, congratulations on the courageous step you have already taken to get this done by ordering this planning binder. Jane's book is a perfect companion piece as you complete this binder for in it she offers a 33-page Master Checklist containing a goldmine of thought-provoking questions regarding establishing a financial safety net, understanding legal and tax matters, planning a funeral, choosing an executor, legal guardians, how to start the important '**courageous conversations**' and so much more.

The peace of mind that comes with knowing you are fully prepared is invaluable. Don't put it off—order this book today and get ready, with the **stroke** of a pen, to claim your life!
